Class Parent Opportunity

Dear Parent/Guardian:

The Class Parent will help coordinate, in conjunction with the teacher, any class parties/events. Not all teachers will want to have a class parent so please be understanding if your teacher would like to coordinate his/her own activities and events. Class parents should attend PTA meetings to ensure they are aware of PTA events and activities. All PTA-member parents will have an opportunity to volunteer to assist with any class parties and the Class Parent will coordinate all volunteers, if the teacher doesn't take on that responsibility. Please note that according to school policy, **siblings are not permitted** to attend class parties/activities. If you would like to be considered for this opportunity, please fill out the below information. There will be a required informational meeting early October.

This form is NOT to volunteer for class parties. That information will come from the Class Parent before each party. Please print CLEARLY. You will not be picked to be Class Parent for two or more classes during the school year, but you may submit for an opportunity in any of your children's classes.

Please ensure you are already a paid 2022-2023 BE PTA member before applying.

Please return this form to your school's main office **no later than September 26, 2022**. Thank you.
